

Folk Art Hope Chest

Fold along all lines
and crease well

One inch

1. Fold this tab (& opposite tab above keyhole) inward & glue to inside of chest.
2. Glue side tabs to inside of main trunk sides
3. Fold in side top tabs & glue to inside.
4. Shape and glue lid as for main trunk.

Lining: Add lining after chest is completed.

Fold lining as for chest, crease folds well.

Fit and trim lining before gluing to inside of chest.

Glue tabs only, starting with main compartment. Glue lid tabs last.

To complete: Glue 4 small round wooden beads on bottom corners as marked for feet

Finished chest 1 1/4"H x 2 3/8" W x 1 1/8"D
not including feet
